

Organ Donor

Follow the steps below on how to indicate when a patient is an organ donor

Try It Out

1. Open the patient's chart
2. Go to the **Navigators** activity
3. Open the **Patient Expiration** navigator
4. In the Notifications section, click on **Donor Status**
5. Answer "Yes"
6. Next, fill out the Donation ID and *Organ Procurement Organization Notified*
7. Click **Next** to file the information

The screenshot shows the Epic Navigators interface with the 'Patient Expiration' navigator selected. The 'Donor Status' section is highlighted with a red box. The form includes the following fields and options:

- Time taken:** 1408 (clock icon), 9/30/2015 (calendar icon)
- Show:** Row Info, Last Filed, Details, All Choices
- Values By:** Create Note
- Donor Status:** Yes (selected), No
- Donation ID/Case #:** [Text field]
- Organ Procurement Organization:** [Text field]
- Notification Time:** [Text field]
- Buttons:** Restore, Close, F9, Cancel
- Navigation:** Previous F7, Next F8

Below the 'Donor Status' section, the 'Patient Expiration' section is visible, including 'New Reading' and 'Go to Doc Flowsheets' links. Other sections like 'Consulting Physician Information', 'Post-Mortem', 'Medical Examiner Criteria', and 'Autopsy Criteria' are also listed.
